3 ARTI LTD. STI. also; The categories of natural persons whose personal data are being processed are as follows; employees, employee candidates, business partners' officials, business partners' shareholders, business partners' employees, customers, customer representatives, supplier representatives and employees, and visitors.

Personal Data That Can Be Collected

Depending on the transactions you make on 3 ARTI LTD. STI. our websites and social media accounts, and our business relations;

- Your identity information,
- Your contact information,
- Your transaction security information,
- Your financial information,
- Information regarding our customer transactions,
- Your personal information,
- Physical space security,
- Your professional experience information,
- Marketing information,
- Audio and visual recordings,
- Trade union membership,
- Biometric data,
- Health information,
- Punishment, conviction and security measures,
- Other information,

Within the scope of the software, maintenance/remote support, and (if any) hosting services it provides to healthcare service providers, 3 ARTI LTD. ŞTİ. processes personal data (including special categories of personal data and health data) contained in the systems where customer institutions act as the data controller, solely in the capacity of a data processor.

Links may be provided from our website to sites that are not operated by our company. If these sites are visited, our customers should also review the security of that site. Our company cannot be held responsible for the information security conditions provided by other companies. It should be noted that each company has its own confidentiality agreements and information security policies.

Purpose of Processing Personal Data

Your personal data are processed in accordance with the conditions regarding the processing of personal data specified in Articles 5 and 6 of the Law.

In cases where we are the data controller, the purposes of collecting and processing your data verbally, in writing, or electronically include, but are not limited to: ensuring the legal, commercial, physical, and information security of 3 ARTI LTD. STI. or its business partners; promotion and continuation of commercial activities; project and R&D management; as well as human resources and employment policies.

In cases where we are a data processor, your data received by health institutions, organizations, and/or other organizations within the scope of technical support and maintenance services is processed for maintenance, quality control, software development, and improvement.

All necessary technical and administrative measures are taken to prevent unlawful processing of your personal data and unlawful access to your data and to protect your data securely.

Collection Method of Personal Data

Following the current legislation, 3 ARTI LTD. STI. collects personal data verbally, in writing, or electronically through our partners, group companies, affiliates, solution partners with whom we cooperate or have a contractual relationship, surveys, websites, and various similar channels. It is processed following the terms specified in Articles 5 and 6 of the Law for various administrative and legal reasons.

In the IT services we provide to our customers (e.g., healthcare service providers) in our capacity as a data processor:

Access is granted only upon customer instruction and to the extent necessary through technical support/remote access tools (session and access logs) and maintenance/fault records; access to actual data is exceptional and is logged.

For data collection activities carried out through cookies and similar tracking technologies, the Cookie Policy and the relevant privacy notices apply.

Sharing Personal Data

Domestic Transfer (PDPL Law. 8)
Your personal data may be shared with the following recipient groups, provided that such sharing is limited to the purpose of processing and is proportionate:

Shareholders and group companies (corporate governance, reporting, internal audit),

Business partners and suppliers (product/service procurement, maintenance–support, hosting, call center services, cargo/courier services, legal/accounting services, etc.),

Authorized persons, institutions, and organizations (requests for information/documents arising from legislation),

Customer institutions/organizations (communications and processes related to contracts and performance).

Note: In transactions where 3 ARTI LTD. ŞTİ. acts on behalf of customers in the capacity of a data processor, any transfer and sharing are carried out solely within the framework of the data controller's instructions and contractual provisions; the obligation to provide notice rests with the relevant data controller.

International Transfer (PDPL Law. 9)
Limited to cases where it is necessary for the conduct of the Company's activities, personal data may be processed by the relevant service providers through applications such as video conferencing software, email applications, meeting scheduling tools, communication and messaging applications, network applications used to perform business operations, and sharing and social media platforms provided by overseas service providers.

Precautions Regarding Protection of Personal Data

3 ARTI LTD. ŞTİ. takes the necessary measures to protect personal data against unauthorized access or the loss, misuse, disclosure, alteration, or destruction of such information. 3 ARTI LTD. ŞTİ. undertakes to keep your personal data confidential, to take all necessary technical and administrative measures to ensure confidentiality and security, and to exercise due care. Despite 3 ARTI LTD. ŞTİ.'s implementation of the required information security measures, in the event that personal data are harmed or obtained by third parties as a result of attacks on its website or systems, 3 ARTI LTD. ŞTİ. will promptly notify you and the Personal Data Protection Board.

By applying to 3 ARTI LTD. STI. in line with Other Regulations listed in Article 11 of the Law, your personal data;

- Learning whether it has been processed.
- Requesting information about it if it has been processed.
- Learning the purpose of processing and whether it is used appropriately.
- To know the third parties to whom personal data is transferred domestically or abroad.
- To request correction of personal data in case of incomplete or incorrect processing.

- To request the deletion or destruction of personal data within the framework of the conditions stipulated in Article 7 of the Law.
- Request notification of the transactions made pursuant to the relevant articles of the Law in question to third parties to whom personal data are transferred
- To object to the occurrence of a result against you by analyzing the processed data exclusively through automated systems.
- You have the right to demand the compensation of the damage in case of damage due to illegal processing.

You can apply to 3 ARTI LTD. STI. in writing to use your rights mentioned above and send the said application to the address information specified in the Data Owner Application Form. In case new application methods are determined by the Personal Data Protection Board, these methods will be announced by 3 ARTI LTD. STI.

The applications you make within this scope will be finalized in the shortest possible time frame and within 30 days at the latest after they reach us. These applications are free of charge for now. However, if the Personal Data Protection Board determines a fee schedule, charges may be made in accordance with this definition.
